

Campus Life Starts Here

THE
UNIVERSITY
UNION
SACRAMENTO STATE

Introduction

The University Union has been known as “the living room of the university” since we opened our doors in 1975. Centrally located on campus, we host programs and house services for education, cultural, and social experiences. Our three story building offers numerous dining options, event spaces, leisurely activities, and informal lounge spaces for socializing, studying and relaxing. **Campus life starts here!**

Spend some time with us.

Traditions

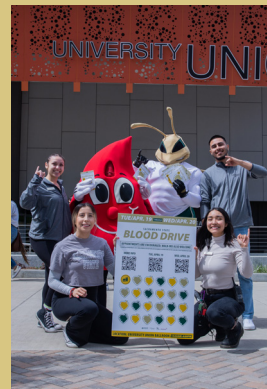

Phlagleblast

Established in 2000, Phlagleblast is the University Union's annual open house event and celebration—a tradition the entire campus looks forward to each year. The building comes to life for this event, with decorations throughout all three floors. The day is filled with live entertainment, giveaways, free food, grand prizes and more.

Wish Upon A Star Gift Drive

This annual gift drive benefits Sunburst Projects, an organization that creates safe and supportive communities for children, youth and families living with HIV/AIDS in Sacramento. The campus community is encouraged to donate basics like warm clothing or wish list items. For more than 20 years, this annual drive has granted over 9,000 holiday wishes.

Blood Drives

Sac State saves lives with blood drives! Throughout the academic year, we partner with Vitalant and other campus partners to host on campus blood drives. We look forward to our friendly, annual Causeway Classic Blood Drive competition against UC Davis in which we compete to collect the most pints of blood.

Spirit Fridays

On Fridays, we wear green! To support school spirit, we encourage the campus community to wear their Sac State apparel on Fridays. Our Union prize patrol awards prizes weekly in person and on social media. Tag us @sacstateunion on Instagram and use #SacStateSpirit for a chance to win a prize.

Student Purchase Awards

This annual art exhibit has been an integral tradition of the University Union Gallery since the late 1970s. Student artwork is chosen for the exhibit. Three “Best of Show” awards are selected and are awarded a cash prize. Several pieces are also chosen and purchased to add to the University Union's permanent art collection and are on display in the public areas building for years to come.
